

BOTH LEGS SEVERED BY REVOLVING SAW

Marion S. Grapevine, Met With Horrible Accident at His Home Near Crothersville.

IS IN A CRITICAL CONDITION

Unfortunate Man Was Inexperienced With Work, But Was Assisting Friends.

While working with a saw mill which was located on his farm, Marion S. Grapevine, was drawn under the revolving saw about one o'clock this forenoon and both legs were severed from his body. The saw mill had been set up temporarily upon Grapevine's farm which is located in Scott county, four miles east of Crothersville. The injured man had little experience in working with saw mills and it is thought that he walked too close to the machinery and was drawn under the rapidly revolving saw. His legs were severed from his body before his fellow workmen could come to assistance. Grapevine was carried to his home where he is in a critical condition. He is suffering great pain, and is in a weakened condition from the loss of blood.

NOT GUILTY Menlo E. Moore Acquitted By Jury at Vincennes.

Vincennes, Ind., Dec. 9.—"Not guilty" was the verdict of the jury today in the case of Menlo Moore, who was charged with the murder of Charles E. Gibson. Moore pleaded insanity, caused by the confession his wife made to him of her relations with Gibson, who was shot and killed on the Union Station platform here by Moore. When the verdict was read the crowd in the court room broke into a mighty cheer, and men rushed upon the platform and carried Moore from the court room. The court made no effort to stop the demonstration.

APPEAL TAKEN IN THE CONTEST CASE

Both Candidates Gained Three Ballots in Hearing Before the Commissioners.

TRIAL MAY BE SET THIS TERM

In The Commissioners' Court Only The Mutilated Ballots Were Examined.

After an examination of the mutilated ballots in the contest case Thursday, the county commissioners decided that Jerry McOsker, democrat, and his opponent, William Goecker, should each be given three additional votes. The contest came to a close about 7 o'clock, and Frank S. Jones and Judge John M. Lewis, attorneys for Goecker, filed at once a notice that they would appeal the case to the circuit court. The law gives ten days' time in which to file the bond for the appeal.

After the preliminary motions and rulings were made, the attorneys for the contestor, Mr. Goecker, offered to bring in evidence the ballots which were voted, but this the court refused to be done. Attorney Kocheff and Prince, representing Sheriff McOsker, then moved to examine the mutilated ballots which motion was granted.

Several of the ballots were contested and after examination and arguments by the attorneys, the commissioners decided that six of them should have been counted. Three of those counted were in favor of McOsker and the same number were given in favor of Goecker. After the ballots were counted, they were replaced in the ballot bags and resealed in the presence of the commissioners.

Under the law enacted in 1909 all the ballots are preserved, and can be recounted when a contest suit is filed. Formerly all uncontested ballots were burned immediately after they were counted and only the disputed and mutilated ballots were saved.

The transcript has not yet been filed in the circuit court and it is not known when the case will be called on, appeal.

BURRELL HEARING POSPONED AGAIN

Habeas Corpus Proceedings Will Be Called Again on Monday Morning.

MESSAGE FROM APPLEWHITE

Muskogee Daily Paper Gives Account of Attempt Withdrawal of a Bondsman

According to a message received here this morning from Captain R. B. Applewhite the hearing of the Burrell habeas corpus which was set for 9 o'clock Thursday morning, has been postponed until Monday. The message stated that several objections had been made which required considerable study of cases to meet the points raised. Mr. Applewhite said they expected a long hard fight with prospects of ultimate success.

Mr. Applewhite has sent several copies of the daily newspapers giving accounts of the fight, and from a story found in the Muskogee Times-Democrat, is found a solution for the several habeas corpus proceedings which have been instituted. There has been much speculation here as to how so many proceedings of this character could be instituted, but it seems that the first one which was tried Monday was the result of the attempt of Dr. W. T. Tilly, one of the bondsmen, to withdraw from the bond of \$10,000. It appears that when he notified the officers that he decided to withdraw from the bond, they started to take Burrell to Oklahoma City but were not permitted to do so because of a habeas corpus proceeding. The hearing on this was heard Monday and Burrell was released. The hearing on the habeas corpus which was filed upon the requisition will be heard Monday.

The story as it appeared in the Muskogee paper is as follows:

When Chief of Police Charles Kimsey, in charge of Hugh H. Burrell, a former Indiana Banker, started for Oklahoma City last night, he was stopped at the train by Attorney E. L. Kistler, armed with a writ of habeas corpus issued by District Judge Charles Bagg. Kimsey called upon Judge Bagg to ascertain what to do and was ordered to remain in Muskogee with the prisoner until a hearing was had tomorrow.

Burrell, who is a father-in-law of P. J. McNeerney and former president of the People's State Bank of Brownstown, Indiana, was arrested a month or so ago in Oklahoma City on a fugitive warrant charging him with forgery and embezzlement. He was given a hearing before Governor Haskell, who thought the arrest was unwarranted and refused to issue extradition papers and the case was dismissed. A second warrant was issued and Burrell arrested. He gave a bond of ten thousand dollars and was released to appear in Oklahoma City today. Last evening Dr. W. T. Tilly, one of his bondsmen, became uneasy and conferred with Chief of Police Kimsey. Kimsey called the sheriff of Oklahoma county over long distance telephone and the sheriff advised Kimsey to arrest Burrell if the bondsmen surrendered him. Tilly and Kimsey then went to Bur-

rell's home on East Kmlugee and placed him under arrest. Kimsey was about to take him to Oklahoma City when stopped by a writ of habeas corpus, made returnable in Judge Judge Bagg's court tomorrow. In addition to Tilly, Burrell's bondsmen were Fred Branson and P. J. McNeerney. Burrell is now in the custody of the local sheriff.

The People's State Bank of Brownstown, Indiana, of which Burrell was president, failed on August 3, 1907, and was placed in the hands of a receiver, paying the depositors 85 cents on the dollar. All the directors of the bank remained in the town and no action was taken. The statute of limitation had run against all except Burrell, and because the latter left the state.

The bank held notes against many people in Indiana and after Burrell left many of the men who signed notes claimed their signatures were forged.

BETTER THAN RICHES

Is the Content That Fills the Heart of General Buckner.

Louisville, Dec. 9.—General Simon Bolivar Buckner, renowned leader in the civil war and former governor of Kentucky, now in his eighty-eighth year, who was a honorary guest of the governors who met here recently, living in the same log cabin on his farm in old Hart county that he was born in.

"That cabin is 103 years old," said General Buckner. "My father built it and it is in as good a state of preservation today as anyone could wish. I raise my own tobacco, and I have a fine mint bed, and my old dog General wags his tail every time I walk into the front yard."

"Young man, you can tell everybody in the world that I wouldn't give up this home for the palace of a king. Mr. Vanderbilt and Mr. Rockefeller with all of their money couldn't buy my place in Hart county. I would not trade it for all of their places and all of their riches. They need never try to make me an offer, because I would refuse all their property for that log cabin and that spring and that mint bed."

A secret meeting was held, but the decision has not been made public. According to the law deputies charged with crime must first be tried by the house. If they are found guilty they are then turned over to the courts for trial. It is said that Miron, who is a well-known poet, has killed at least four men.

HOSPITAL BOARD MET LAST NIGHT

Committees From Various Organizations Donating Furnishings Were in Attendance.

FIVE HUNDRED DOLLAR GIFT

Is Received But Name of Contributor is Withheld.—Business Transacted.

The board of trustees of The Schneek Memorial Hospital met in the library rooms at 7:30 Thursday evening. An invitation to be present at this meeting, extended to the committees from organizations donating room furnishings to the Hospital met with general response.

The following organizations will furnish rooms and, with probably one exception, each had a representative present: Women's Home Missionary Society of First M. E. Church; Ladies Aid and Epworth League of German M. E. Church; First Baptist Church; St. Ambrose Catholic Church; Tuesday Club; Merchants Association; I. O. O. F. Lodge; K. of P. Lodge; Elks Lodge and Rail Road Organizations.

The object of this meeting was to get a general understanding of what is required and expected in the matter of furnishing the Hospital and for a general conference as to the best methods to adopt to secure the largest and most satisfactory results.

After a more or less general discussion it was decided that for the sake of uniformity, utility and economy, it would be best to donate the money so that all the furnishings might be selected and ordered at the same time upon best possible terms.

It was strongly advised that this method be followed, but in case any organization for reasons satisfactory to itself, desires to buy its own furnishings, no objection will be made. In either case the individual room feature of the donation would be identical.

A feeling of general satisfaction and pride in our new hospital was the sentiment and spirit of the meeting.

At a short meeting of the board following the general meeting a very liberal donation was reported. An unknown individual gave \$500, which is to be used to complete the general surgical equipment of the institution.

CALLED OFFICER

Mrs. Laura Ella Ruddick Wanted
Husband Arrested.

The following story was published in the Columbus Republican Thursday evening:

Mrs. Laura Ella Ruddick called at police headquarters this morning and requested Chief of Police Cooper to go to her home on Franklin street and arrest her husband, Baker S. Ruddick, in case the latter appeared there at 11 o'clock. She said she expected her husband at that time and wanted him taken into custody. Chief Cooper declined to take a hand in what he termed a family row and said he would not act unless Mrs. Ruddick wanted to file an affidavit against her husband. In that event, he told her, he would serve the warrant.

Mrs. Ruddick told Chief Cooper that her husband was not living with her but she declared he had been carrying away canned fruit from her home, and that he had also taken some wood. She thought perhaps a charge of malicious trespass might be lodged against him.

SUNDAY SCHOOL LESSON

DECEMBER 11, 1910

THE CRUCIFIXION. Lesson:—Matt. 27: 33-50

GOLDEN TEXT:—He was wounded for our transgressions, he was bruised for our iniquities. Isaiah 53: 5.

We have come to the last scene in the greatest event in history, and we can scarcely do more than read it and write it. Yes, we can believe it firmly, and our hearts can say: "All for me—for my sins. He was wounded for my transgressions, bruised for my iniquities. He hath redeemed me from the curse of the law, being made a curse for me." Since the death of Abel all that have lived on the earth and have passed off it have, with but two exceptions, gone by dying; but, of all the millions upon millions of deaths, there never was one like this. Of all the others each died because of sin, for there had been no death if there had been no sin. But this man had no sin. He knew no sin. He died for our sins. All others had to die—they could not help it. This man laid down his life of his own accord. No one could take it from him (John x, 17, 18). All others were ordinary mortals, but this man lived before the world was. He talked with Adam and Eve, with Enoch and Noah and Abraham and the patriarchs, with Moses and Joshua and David. He made them all and all things. He was God manifest in the flesh. He still lives, and He will come again, and all who have ever lived must give account to Him. Let us remember these things as we meditate upon Him.

In the lesson of two weeks ago we left Him before Pilate, accused by the Jews as an evildoer and by them delivered to the Roman governor to be put to death. He had passed a sleepless night—a night of the most cruel abuse at the hands of His tormentors. It was now early morning, and Pilate, persuaded that he was an innocent man, had made five attempts to release Him, for he knew that for envy the chief priests had delivered Him (verse 18). It was the custom to release a prisoner at this feast, one whom they might select, and he suggested that he should release Jesus who is called Christ. His wife had sent him a message urging him to have nothing to do with that just man, for she had suffered many things in a dream because of Him. Meantime the chief priests and elders were persuading the people to ask for the release of a very wicked man, a notable prisoner called Barabbas, a murderer. So when Pilate made Jesus and asked whether it should be Jesus or Barabbas they asked for Barabbas. Listen to Peter after Pentecost concerning this: "Ye delivered Him up and denied Him in the presence of Pilate when he was determined to let Him go. But ye denied the Holy

One and the Just and desired a murderer to be granted unto you and killed the Prince of Life" (Acts iii, 13-15). When Pilate asked, "What shall I do, then, with Jesus who is called Christ?" their united and persistent cry was, "Let Him be crucified!" Pilate then took water and washed his hands before the multitude, saying: "I am innocent of the blood of this just person. See ye to it." Then they cried, "His blood be on us and on our children" (verses 24, 25). So Pilate, willing to content the people, released Barabbas, scourged Jesus and delivered Him to be crucified.

What can any follower of Jesus expect in a world whose highest civil and religious authorities so treated the Son of God? It is the same evil world. Religion, so called, has no more use for Jesus Christ than the Jews had. The civil authorities have no respect for Him beyond lifting their hats to Him for the sake of politeness, and the devil is the one who is really worshiped, and he is the father of lies and a murderer. Stay, if you can, and see what followed as the Holy One is delivered to their will. After being scourged the soldiers strip Him, put on Him a scarlet robe, crown Him with thorns, mock Him, smite Him on the head, spit upon Him, remove the robe, put His own clothes on Him and lead Him away to crucify Him. At first He bore the cross; then they compelled Simon the Cyrenian to bear it. And so they go forth, two malefactors led with Him to be put to death, a great company following and some wailing women, to whom he spake some weighty words. They reach Golgotha, and quickly the cruel work is done. The Son of God is crucified and a title placed over his head in Hebrew, Greek and Latin, "Jesus of Nazareth, the King of the Jews." That was about 9 a. m. on the most awful day that earth ever saw. They reviled Him as He hung there bearing his sins. They rallied on Him, they mocked Him, until about noon the sun shone no longer and there was darkness over all the land until about 3 p. m., when He cried with a loud voice and said, "Father, into Thy hands I commend my spirit," and He was gone. The earth quaked, the rocks rent, graves were opened, and in the temple in the city the veil which separated the holy place from the most holy was rent in twain from the top to the bottom. Consider all the Scriptures fulfilled by these events. Give heed to His seven sayings from the cross and in the first three see forgiveness and glory and all we need while here on earth waiting for His kingdom to come.

TWO ORDINANCES ARE PRESENTED

One Provides That Permit Must Be Issued to Use Streets For Building Materials.

NEW DOG LICENSE PROPOSED

Two Members For the Library Board Are Elected For The Coming Year.

Two new ordinances were introduced at the regular meeting of the city council which met in a short session Thursday evening. All the councilmen with the exception of Mr. Davison were present and Mayor Swope presided.

Councilman Mills presented an ordinance requiring any person, firm or corporation who desires to use the streets, alleys or other public places for purposes of removing houses, or for storing materials to be used in the construction of any sidewalk, building or dwelling, to take out a permit which shall be issued by the city clerk. Such permit shall be issued only upon the payment of fifty cents.

The ordinance provides among

other things, that red signal lights must be placed upon such obstructions so that the public may be warned of the danger while walking or driving past such obstructions. It is also provided in the ordinance that before such persons or corporation can receive a permit to do the desired work, they must file a duly accepted bond to cover the amount of such damages which might be incurred as a result of such obstructions.

Councilman Mills also introduced an ordinance pertaining to the keeping and harboring of dogs. The ordinance provided that such owners shall be required to pay to the city clerk the sum of \$1 for each dog so kept by them. The ordinance is much the same as the one now in force except with the above provision.

Both ordinances were read for the first time and will take the usual course.

Councilman Mills, chairman of the board of public works, reported that the roller bearings had been placed under the hose wagon, and the chief of the fire department was instructed to return the old wheels to the Larkin Company according to the agreement when the new ones were purchased.

Last night was the regular time to elect the members of the library board, and upon the motion of councilman Mills Alpha Cox was reelected and Miss Kate Andrews was selected to the place made vacant by the expiration of the term of Mrs. H. R. Kyte.

Upon the motion of Councilman Misch, the city clerk was instructed to notify the depositories to file their bids for the deposits of public money.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

HELP FOR THE RED CROSS

Many Organizations Over Indiana Join in White Plague Fight.

The women's organizations in the Indiana Federation of Clubs, The Daughters of the American Revolution, Tubercular Societies, and similar organizations have joined with the Red Cross in pushing the sales of the Christmas seals in cities and towns throughout Indiana, and with all of these forces behind the movement, the Red Cross is anxious to see a total of twelve or fifteen thousand dollars added up from over the state, the fund to be used to fight the white plague. After the Christmas season is over and the money has all been turned into the Red Cross committee at Indianapolis, the distribution of the funds begin. The Indiana committee as far as possible undertakes to spend in each community the amount of money that is contributed through purchases of the Seals. This is not always practical and where circumstances warrant it, more money is spent in a community than the community spent for Christmas Seals. Last year Indianapolis bought \$2,000 worth of the Seals, while the Red Cross committee spent considerably less than this amount in that city, taking some of it for use in other communities.

The Red Cross committee is willing to spend that portion of the funds to care of worthy victims of the White Plague whether these patients live in city, town or on a farm. To the committee the important thing is to raise the money and after it is raised, it is expended where the need is greatest. The Red Cross committee spends the funds judiciously, going thoroughly into the requirements. It consults public health officials and physicians, and it not only seeks the confidence of the people of the state, but it makes a conscientious effort to extend the money so that the largest possible number of individuals will get the benefits. The people of this town can best support the Red Cross in its work against the White Plague by purchasing of the Christmas Seals, for every seal sold at one cent means a penny added to the Red Cross Fund. The Seals may be obtained at the drug stores.

David Baird was compelled to return to his home in this city Thursday from Deputy, on account of the serious injury he received about three weeks ago by stepping on a nail.

Engraved cards make a Christmas present that is always appreciated. We can supply you with more than a dozen styles of letter, enough to please every taste. Order early before the Christmas rush comes on. DAILY REPUBLICAN.

Will Present "The Climax" at The Majestic Wednesday.

"The Climax," a three act comedy-drama by Edward Locke is scheduled to appear at Majestic Theatre Wednesday evening.

The piece has been produced by Joseph M. Weber and is said to be an attraction that is really worth while. It comes with the ear marks of success having made a most emphatic hit at Weber's Theatre, New York. Its author is a young American with fresh ideas, and it is said he has supplied his offerings with new timber. The story has been told in a straightforward way and has made a strong hit for first place by reason of its simplicity. Love and ambition, gentle intrigue, pathos and humor are dominating notes in an unassuming tale of three people with the artistic temperament and one person contrarily endowed.

The drama provokes laughter and tears so perfectly balanced as they are prompted by the heart, that the onlooker doesn't know which he enjoys the most. Smiles come so quickly to the relief of the tears that no feeling of sadness is permitted to oppress those who see the play. "The Climax" is an uplift to the emotions.

GOVERNMENT REPORT

Shows Increased Acreage Compared With Last Year.

The government has just issued its bulletin on the growing wheat crop, the publication of which has been waited for with much interest by farmers, grain dealers and others.

The bulletin indicates a considerable decrease in condition as compared with the report of one year ago but on the other hand shows an increased acreage to wheat over the country at large compared with last year. Wheat prices have ruled steady the last two weeks in anticipation of this report and although it is considered as a bearish report, the local price remain about the same. The mills here are paying 93 cents for good No. 2 wheat with the usual discount for off grade.

Beware of Ointments for Catarrh that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by druggists, Price, 75c per bottle. Take Hall's Family Pills for constipation.

DIED.

RUDDICK:—Scott Ruddick, aged seventy-eight years, died of kidney trouble Wednesday evening at the home of his daughter in Washington county, about three miles south of Medora. About six years ago the deceased lived in this city and was well known here and throughout the county. He was a veteran of the civil war and a member of the 67th Indiana Regiment, Company G. The funeral services were held Friday.

SERIOUS HEART DISEASE SOON CURED.

By The Great Specialist, Franklin Miles, M. D. L. L. B. Who Will Send His New Book and a Two Pound Treatment—Ment Free to the Sick.

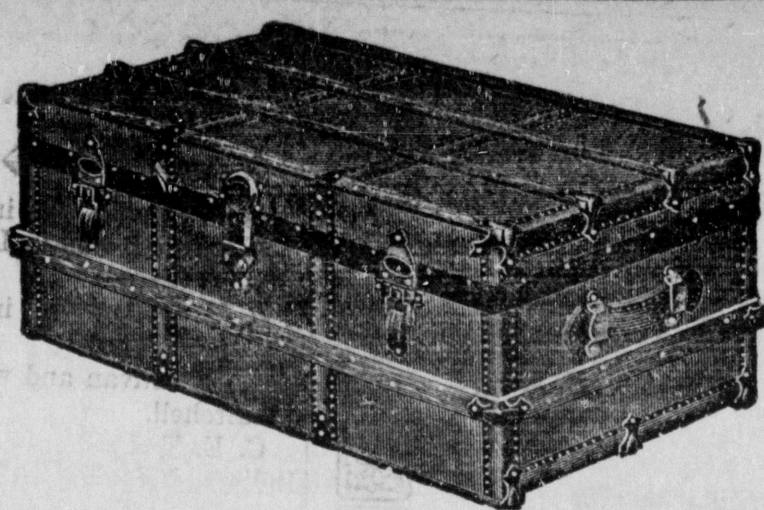

Sick people whose hearts are weak, deranged or diseased, who have short breath, palpitation, irregular heart beat, pain in left side, shoulder and arm, or dropsy, should by all means send for the Doctor's new Book and Free Treatment. He cures many cases called incurable. The worst cases usually relieved in a day or two.

So remarkable are the results that he wishes every sick person to test this great treatment at his expense. His book will show that he is recommended by Professors, Physicians, Bishops, Statesmen, Bankers, Editors, Prominent Citizens and others.

These treatments are the result of 25 years of extensive research and remarkable success in treating the various ailments of the heart, stomach, liver kidneys and nerves, which so often complicate each case. So astonishing are the cures effected, in most cases, that he is led to make this very liberal and unusual offer.

Certainly nothing could be more generous. Few physicians have such confidence in their treatments. You may never have such an opportunity again. No death comes more suddenly than that from heart disease.

Mr. Gilbert Baillie, Altamont, Ill., cured after several physicians failed. Miss Elvina Sanders, Decatur, Neb., after 10 failed. Charles E. Smith, Wayne, Mich., after 3 failed. Mr. P. W. Runyan, 1027 W. 37th St., Los Angeles, Cal., after 3 failed. Mrs. Lizzie Ewing, So. Charleston, O., after two pronounced her incurable. Other cures sent on request. Many have been cured after from 5 to 15 physicians had failed. Send at once to Dr. Franklin Miles, Dept. B, 975 & 985 Main St. Elkhart, before it is too late. Indiana, for Book and Free Treatment

Dec. 1910,

Dear Friend:

Prunes, when you stew them are a mighty nice thing to begin breakfast with. Don't you think so?

There is lots of difference in the kinds of prunes you get though. If you want to get real nice prunes you must go to a grocery that carries good prunes and other fruits.

Prunes are nice and healthy too. They make a good economical breakfast fruit, because you can get a whole pound of extra large ones for 15c.

P. S. All kinds of dried fruits, the best to be had at

Rheumatism Comes From Bad Kidneys

Once Your Kidneys Work Properly, Rheumatism, Kidney Disease and Bladder Trouble Disappear. How To Cure Yourself.

It is no longer necessary to spend months and months undergoing a complicated treatment for rheumatism, kidney or bladder trouble, or spend a good many dollars in doctors' bills.

A new treatment can now be obtained which seems to act more like a marvel than a medicine. This treatment has produced such satisfactory results in a short time that it is now guaranteed from first to last.

There should be no more doubt about the rapid cure of rheumatism, no fears of the fatal termination of treacherous kidney disease or dropsy. Rheumatism means nothing more nor less than that your kidneys do not work properly. Your blood passes through the kidneys hundreds of times a day to be filtered and purified. When the kidneys are weak, the poisons are not taken out of the blood as they should be. This leads to various diseases, such as rheumatism, terrible Bright's disease, diabetes, dropsy and bladder trouble.

The new guaranteed treatment is Dr. Derby's Kidney Pills. One day's use of them will prove their remarkable effect. M. T. Ridenour of Lima, Ohio, says: "When I feel bad in my back, I just take a couple of Derby's Kidney Pills and get immediate relief."

If you have rheumatism anywhere, back pains, cloudy, foul urine, pains in the bladder, Bright's disease or diabetes, put your whole confidence in Dr. Derby's Kidney Pills, and you will not be disappointed.

Dr. Derby's Kidney Pills are sold at all drug stores—60 pills—10 days' treatment—25 cents, or we will send them direct from the laboratory of Derby Medicine Co., Eaton Rapids, Mich., prepaid if you wish. If you want to try them first, just tell your druggist to give you a free sample package.

INDIANA IN LINE FOR ROAD IMPROVEMENTS

Hoosier State's Special Day at Good Roads Congress.

Indianapolis, Dec. 9.—The session of the American good roads congress is being held in Tomlinson hall today, and the meetings are open to the general public. In point of attendance it is the largest meeting of the week.

The day is being observed as Indiana day, and the addresses and discussions are along the line of proposed legislation which will provide better roads for Indiana. One of the addresses was by James H. MacDonald, general president of the congress. Mr. MacDonald has been state highway commissioner of Connecticut since the office was created by the legislature in 1892, and is regarded as one of the leaders in the movement for better roads the country over.

Another speaker was Harold Parker, chairman of the Massachusetts state highway commission and other men with national reputations as road builders spoke.

In addition to these there were addresses by L. Ert Slack of Franklin, Charles A. Bookwalter of Indianapolis, M. R. Sulzer of Madison, and Lorenzo D. Hall of Elkhart.

It is probable that a permanent Indiana good roads organization will be formed at the congress to succeed the present temporary organization known as the Indiana Good Roads association. The duty of the new organization will be to prepare and present a proposed law to the general assembly under which better roads may be obtained for the state. The nature of this proposed law will be discussed, but the actual writing of the measure will be left to a committee.

CURE YOUR KIDNEYS

Do Not Endanger Life When a Seymour Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Seymour testimony:
